

Va'era

Not a single detail of the physical appearance of our greatest leader, Moses, is recorded. It is what a person achieves in life that matters, not the superficial image people have of him. What a far cry this is from our cosmetic age!

Bo

All those critical scholars who attempt to rationalise the ten plagues as 'natural phenomena,' in order to legitimise the text, forget one thing. The Torah actually *wishes* us to view them as miracles. Making them 'plausible' actually impairs, rather than enhances, the account.
